PROFESSIONAL SUMMARY

I'm a full stack developer, I enjoy exploring new technologies and creating intuitive, beautiful, responsive user interfaces coupled with robust back ends.

WEB DEV TECH STACK, FRONT & BACK END

Balsamiq, HTML, CSS, JavaScript, jQuery, API's, Bootstrap, Handlebars, and React.

GitHub, Node.js, Express.js, MySQL, Sequelize, MongoDB, Mongoose, and Firebase.

WEB DEV CERTIFICATIONS

- Full Stack Web Development Certification - The Coding Boot Camp at UT Austin
- Front End Web Development Certification - Free Code Camp

WEB DEV PROJECTS

- Portfolio (www.adamcamacho.com): My portfolio, with links to some of my projects.
- GitHub (https://github.com/Adancode): My GitHub, where I keep many of my own projects as well as projects I've collaborated on with others.
- Blog (www.adancode.blogspot.com): I started my blog on 6/23/2014 and now have over 300 entries, chronicling my journey to becoming a web developer.
- Founder & Organizer of Free Code Camp - Austin (www.meetup.com/Free-Code-Camp-Austin): The purpose of this group is to grow Austin's tech community by helping people transition into careers in web development. I have grown this group to over 500 members and membership continues to grow steadily.

WORK HISTORY

05/2011 to Current **Managing Partner**
Texas Property Buyers LLC *– Austin, TX*
- We are engaged in buying, selling, and managing real estate.

03/2010 to 05/2013 **Owner and Chief Operating Officer**
Camacho Pedicabs LLC *– Austin, TX*
- Operated a pedicab fleet in downtown Austin.
- Managed over 120 pedicab chauffeurs over the life of the company.
- Created a new, more ergonomic pedicab design, then traveled to Mexico where I had these pedicabs built, then imported.
- Secured a fleet-wide advertising campaign promoting HBO's show, "Girls."
- Sold company in 2013 to expand my real estate portfolio.

05/2006 to 03/2010 **Stock Broker**
TD Ameritrade *– Omaha, NE*
- Assisted clients with financial matters regarding their stock, bond, ETF, and mutual fund portfolios, as well as with technical issues with TD Ameritrade's online trading platforms.
- Created a technology support curriculum, as well as the content required to implement the curriculum, for incoming stockbrokers to the technology division.
- Was selected to teach a class on how to pass the Series 7 exam due to having passed the exam with a high score.

EDUCATION

2004 **Bachelor of Arts: Government, cum laude**
The University of Texas at Brownsville - *Brownsville, TX*
